## Agency Doings...

### **Lori Bowman, CIC, Executive Vice President of The David Agency Insurance, Inc. 25<sup>th</sup> Anniversary**

A surprise gathering in the Agency occurred on June 4, 2010 to celebrate Lori's 25 years with The David Agency.

Lori has been in the insurance industry since 1978 and joined The David Agency in 1985 by way of the merging of the Medical Arts Financial Insurance Agency property&casualty insurance business into The David Agency. Lori began her career here as a Client Service Representative. In 1987 Lori became the Manager of the Berkeley office. In 1998 Lori was made Vice President for Personal Lines, and in 2004, was named Executive Vice President. Lori continues to manage the Personal Lines Department for The David Agency and also manages the Administration for the agency.

Through her 25 years with the agency Lori has experienced the expansion in size, the movement to remote 'neighborhood offices', a devastating fire that claimed a 100% loss to our office in 1991, and the consolidation of those offices to the current one home office in Elmhurst.

Congratulations Lori on your first 25 years, and we look forward to your next 25 years!

The David Agency presented Lori Bowan with a Louis Vuitton handbag.

Cake and Champagne were enjoyed by all.
